Commissioner for Patents

Dear Sir:

In the Notification of Missing Requirements, dated June 13, 2005, for the above-identified application, it was indicated that additional fees of \$50.00 were due to be paid. Since Applicants believe that all required fees were paid at the time of filing the subject application, a phone call was placed to Paulette Kidwell on July 21, 2005 at the U.S. Patent and Trademark Office to inquire about the reason for the additional fees due.

In a phone conversation between Ms. Kidwell and Bernice McGlynn, a paralegal in the office of the undersigned attorney, it was determined that no additional fees were due, and that the amount of \$50.00 indicated on the Notification of Missing Requirements should be disregarded. Ms. Kidwell advised Ms. McGlynn that incorrect PTO fee codes had been applied to the fees paid at the time of filing the subject application, and that the fee codes would be corrected.

Please apply any credit of overpayment, or additional fees due, in regard to this submission to our Deposit Account No. 14-1138.
